

Band Notes

It's a year that we'll never forget!

Masks, hand sanitizer, hybrid, soft closures, and lots of Covid testing! It's been a crazy year, but we managed to stay positive and we came out on top! We're so proud of our students and their willingness to follow the many rules and procedures that were thrown at them. And many thanks to our parents for their never-ending support. We're looking forward to a new marching band season and a new school year that looks very different from this last year!

It's a....brand new trailer!

After months and months of worry and wondering, then some pushing and deep breaths at the end, our new trailer arrived at our step-off meeting on May 12th, and we couldn't be more proud! Many thanks to all of those who contributed and continue to contribute to the purchase of this much anticipated and welcome addition to our band program! Special thanks to Dallas Peery and his company, Wanship Transportation. They towed the trailer all the way from Oklahoma and provided temporary storage.

Mango Minutes

A back-to-back 5A state marching band championship, undefeated season, straight superiors at region and state for the concert bands and jazz ensemble... during covid... Wow! What an amazing year! I'm super proud of the students and especially our seniors. As the first class to attend all 3 years at Farmington, they truly have laid the foundation for the band program here and showed what is expected. They will be sorely missed. We wish them all the best in their future endeavors and invite them to keep music an important part of their life, no matter where they go, or what they choose to do. Forever the first, Forever the Phoenix! Thank you all for an incredible year.

Go Phoenix!

The Farmington High School Marching Band was invited to represent the state of Utah at the “80th Anniversary Pearl Harbor Commemoration”, which will take place on December 7, 2021 in Hawaii.

Even though the school board voted against the waiver that we needed in order to take this trip, we feel that merely being invited is a testament to the level of excellence that Mr. Mangelson, his staff, and our band students work towards at each and every day! Congratulations!
